

Meeting Notes

Medi-Cal 820/834 Workgroup

Date: Monday, March 20, 2006
Time: 10:00 – 10:30 a.m.
Call In # / ID: 1-877-915-0027, ID# 139455
Attendees: (18) Blue Cross, CalOptima, Contra Costa HP, Delta Dental, CDHS-MDSB, CDHS-MMCD, CDHS-OHC, Health Net, HP of San Joaquin, Inland Empire HP, Kern Health System, Molina, Partnership HP, Premier Life-Access Dental, Santa Barbara Regional Health, UCD Med Center, UHP Healthcare, Western Dental

Purpose of the Workgroup:

To provide a framework of discussion for the Department of Health Services-Office of HIPAA Compliance and the Managed Care Health and Dental Plans to exchange information about the 834 and 820 transactions. This includes topics such as implementation strategies that were successful, data mapping that has been completed, and identification of issues that relate to the 834 and 820 transactions.

Agenda Item(s)	Time
<u>Roll Call & Review Minutes from last meeting</u>	5 minutes Amy
<u>834/820 Sub-Workgroup Status Update</u> If you wish to participate in the more technical Sub-WG, please email Amy McAllaster at amcallas@dhs.ca.gov to be added to the participant list and receive the meeting materials.	5 minutes Amy
<u>834 Non-COHS Project Status</u> <ul style="list-style-type: none">❑ Beta testing continues with approximately 15 Health Plans (HP). If the HP is ready to test please contact George grettele@dhs.ca.gov and/or Amy amcallas@dhs.ca.gov to indicate interest.❑ CDHS would like to finish up testing with the HPs that are currently in the test phase, and move them to production. Communications have begun to establish when the testing can be completed.	5 minutes Amy
<u>834 COHS Project Status</u> <ul style="list-style-type: none">❑ The COHS solution is currently in test with 1 HP. Mapping docs are available online and if the other COHS are ready to test please contact George and/or Amy to indicate interest.❑ Original time frames have been pushed up for testing because once we started the project, it moved much faster than originally planned.	5 minutes Amy

Meeting Notes

<u>820 Project Status</u> <input type="checkbox"/> Testing continues with 10-15 HPs. We would like to wrap up testing on this effort and get as many HPs into production as possible... if you are not currently testing and wish to receive the 820 please contact George and/or Amy.	5 minutes Amy
<u>Open Discussion</u> No items for discussion... very quiet group this morning. ☺	5 minutes All
<u>Review Action Items</u> Moved 'Closed Action Items' to a different document, which will be added to when items are closed from this meeting, and sent for reference with Agendas & Notes emails.	5 minutes Amy
Next Meeting: <i>Monday, May 01, 2006; 10-10:30am.</i> Reminder to be sent out before the meeting. Meeting Agenda will be posted online. http://hipaa.dhs.ca.gov/834.htm Dial In for next meeting 1-877-915-0027, ID# 139455.
